DANI NAN

Dani Nan is one of the leading producers of wheat flour in Kazakhstan. The company owns 2 mills, equipped with Swiss technology by Buhler AG. Production is fully automatized.

Company Photo

- Founded as bake house in 1996
- In 2000 first mill is built (capacity 130 tons/day)
- In 2005 grain elevator (25 000 tons of grain storage at a time) is built in Shymkent. Uninterrupted supply is ensured
- In 2009 second mill is built (capacity 300 tons/day)
- At the moment second grain elevator (50 000 tons) is under construction in Aqmola region.
- Main focus of the company is to export high quality and ecologically clean wheat flour
