PRAO "Frau Marta" is the largest producer of frozen vegetables in Ukraine.

The company was established in 2003 with the attraction of foreign investments, which became possible thanks to the joint efforts of European partners and Ukrainian specialists - people who have invested a lot of effort, time and enthusiasm in their favorite business.

On the basis of equipment supplied by leading European manufacturers, specialists have built a modern plant for freezing vegetable products using the most up-to-date technologies. The production cycle of the company includes all technological stages of manufacturing the final product: land cultivation, sowing, growing, harvesting, processing and freezing.

***The range of frozen vegetables produced by the company:***

- quick-frozen blanched green peas;
- frozen blanched sugar corn in grains;
- frozen blanched sweet corn on the cob;
- quick-frozen sliced onion cube 10x10;
- frozen blanched broccoli, 20-40; 40-60;
- frozen blanched cauliflower 20-40; 40-60;
- blanched quick-frozen carrots, 10x10 cube;
- frozen pumpkin 10x10 cube

The company has an international food safety management system certificate in accordance with FSSC 22000 V 5.1.
